ABOUT INANNA

Singer, songwriter, dancer, environmentalist & animal advocate of Italian origins, based in Los Angeles. Inanna reinvents environmentalist music in an eco-alternative project dedicated to the Earth, all its landscapes and life-forms. Inanna's music is not just music: it is a movement, an alliance, it is activism itself. Her passion for nature, animals, alternative & Middle Eastern music has given life to a unique and genre-bending ethno-alternative sound. Inanna is a unique voice for the future of nature in the age of the Anthropocene, in a time when a cultural shift is necessary to take better care of our precious planet.

PERFORMANCES
